

CONSENT TO SERVICES

I, _____, understand that TSW Services (as defined below) are provided by Third Space Wellness, LLC (“TSW”) staff and/or affiliated practitioners (“Clinicians”). I understand that this agreement covers the Clinician or Provider who initially treats me and any other Clinicians or Providers associated with TSW who may provide my treatment in the future.

I hereby give my consent to receive the following TSW Service:

Massage Therapy/Bodywork

I understand that the massage/bodywork I may receive is for the purpose of relaxation and relief of muscular tension, and is not intended as physical therapy. I further understand that massage or bodywork should not be construed as a substitute for medical examination, diagnosis or treatment, and that the Clinicians are not qualified to perform spinal or skeletal adjustments.

Potential Risks: I understand that I may experience some pain or discomfort from massage/bodywork received. If during the massage/bodywork I experience such pain or discomfort, I will immediately inform the Clinician.

Medical Treatment: Our Clinicians are not a substitute for a medical doctor and will not suggest that I discontinue medical treatment. I understand that if I am currently under a physician’s care, I should continue as long as my physician and I deem it necessary. It is my responsibility to consult with my physician before altering any prescribed medications or treatments. I understand also that if there is an emergency, or a worsening of my health condition, or if a new condition arises, that I should consult a licensed physician.

Voluntary: I hereby request and consent to receive TSW Massage Services. I have not been guaranteed any specific outcomes concerning the uses and effects of any TSW Service. I understand that I am free to discontinue any TSW Service at any time. I voluntarily assume all risks inherent in the nature of each of the TSW Services. I waive all claims, costs, liabilities, expenses and judgments against TSW and release TSW and its members, officers, agents, representatives, and employees from all claims, costs, liabilities, expenses, and judgments arising out of the TSW Service.

In-home visits: I understand that Third Space Wellness is not responsible for “slip and fall” circumstances when providing in-home services, and thus I am responsible for “slip and fall” circumstances that occur during an in-home visit.

By voluntarily signing below, I confirm that I have read, or have had read to me, and understand the above Consent to Services, have been told about and understand the risks of each of the TSW Service, and have had an opportunity to ask questions and have received satisfactory explanations. I understand that I can request more information at any time if desired. I understand that I have the right to refuse or discontinue any service any time and that this refusal may affect the expected results I am seeking. I intend this
